

Franklin County Family and Children First Council presents

2016 Building Better Lives Conference

Building community strategies to address complex trauma, promote healthy child development and improve outcomes for all families.

March 22 & 23, 2016
Columbus, Ohio

Featured Speaker:

Bruce D. Perry, M.D., Ph.D.

Founder & Senior Fellow, ChildTrauma Academy

Dr. Perry is the Senior Fellow of The Child-Trauma Academy based in Houston, TX and adjunct Professor in the Department of Psychiatry and Behavioral Sciences at the Feinberg School of Medicine at Northwestern University in Chicago. His clinical research and practice has focused on high-risk children, examining the cognitive, behavioral, emotional, social, and physiological effects of neglect and trauma in children, adolescents and adults. This work has been instrumental in describing how childhood experiences, including neglect and traumatic stress, change the biology of the brain – and, thereby, the health of the child.

2016 Guest Speakers:

Dawn O'Malley, Psy.D.

Clinical Director, Alexander Youth Network
Charlotte, NC

Expertise: Traumatology and secondary stress

Kristie Brandt, M.S., Ph.D.

Director, Parent-Infant & Child Institute
Napa, CA

Expertise: Nursing, infant mental health, early childhood development, assessment and intervention

Marti Smith, OTR/L

Occupational Therapist, Austin, TX

Expertise: Sensory regulation and creative problem solving

Learn More About ...

Brain Architecture and the impact that complex developmental trauma has on brain development, behavior and child and family outcomes;

Secondary Stress and its impact on health, relationships, work performance and organizational function;

The Web of Support and the importance of everyone in the child's life having a role in supporting and integrating interventions throughout daily routines;

Therapeutic Activities and how rhythmic, repetitive and relational activities in daily routines can support better outcomes for all kids.
